WELCOME

Dear Members and Guests,

On behalf of the National Conseil, it is my pleasure to invite you to participate in the 2024 Grand Chapitre du Canada in Calgary, Alberta, Canada. This Grand Chapitre will be truly special, as we come together to celebrate the 50th Anniversary of Canada's largest Bailliage!

Fifty years of unprecedented success as a Bailliage do not just happen. They are the result of strong local leadership, dedicated professional members, and committed support from all others.

I have no doubt that members from across Canada (and around the world) will thoroughly enjoy the array of dining events at exclusive member establishments, top-of-class restaurants and more casual culinary tour activities organized by the local Organizing Committee. Do not miss this opportunity to experience what is planned.

During this same weekend, a number of young chefs will come together to compete in the 2024 Canadian Jeunes Chef Rôtisseurs Competition, hosted by SAIT.

Please take a moment to review the details in the attached program. The link on each page will allow you register and provides the information to make hotel arrangements. Please register early as we do expect all of the events to be well attended. I look forward to seeing you there.

Vive la Chaine

WELCOME

Dear Grand Chapitre Attendees,

The Calgary Bailliage would like to extend a warm Western welcome to all those who will be attending this year's Grand Chapitre. 2024 is a special year for Calgary as it marks our 50th anniversary as a Bailliage, and we're excited to have you come and celebrate with us.

We've got plenty of great events planned for you: three exceptional dine-arounds on Thursday night, a spectacular welcome reception at the famous Calgary Petroleum Club on Friday night, fun tours during the day on Friday, a terrific Baillie Lunch and a stunning gala dinner and reception at Hotel Arts.

Outside of the programmed events, Calgary is a great city to visit in October; Banff National Park is an hour's drive away, as is Dinosaur Provincial Park and the Royal Tyrell Museum. Almost all the planned events are within easy walking distance of the host hotel, as are many terrific restaurants, cultural sites & venues.

We can't wait to host all of our friends from across Canada and around the world here in the Stampede city. So, dust off your Cowboy boots and get ready to have a good time!

Vive la Chaîne

Join Us in Calgary

for a 50th Anniversary Celebration!

In its natural setting, there's a place where the rolling foothills of Canada's Rocky Mountains meet an area of rich grasses, clear rivers, and warm, moist winds. Calgary is a destination like no other: a mix of dynamic big-city energy, cheerful western Canadian hospitality and wondrous natural beauty. An urban centre surrounded on all sides by scenic Canadian vistas, Calgary's diversity as a travel destination is its greatest strength.

In 2024, the Bailliage de l'Alberta à Calgary will be celebrating its 50th Anniversary while hosting the National Meeting of the Bailliage du Canada. Come to Calgary from October 17th to 19th 2024 to experience a truly special weekend!

Calgary is a vibrant city that combines the best of all worlds. It's cosmopolitan but casual; outdoorsy but urban. A spectacular city to visit any time of year, its small-town warmth coupled with the urban ambience makes it a metropolis of wonderful contrasts

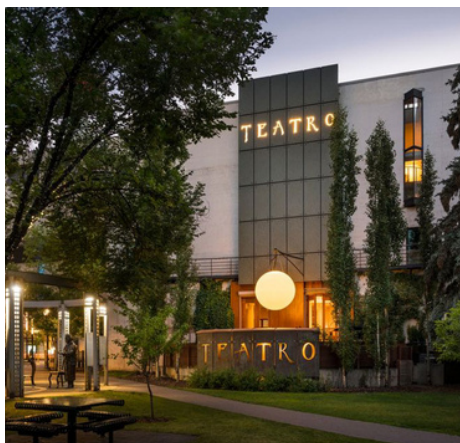

You'll find cultural attractions, festivals, restaurants, live performances, specialty shops and trendy nightspots. Downtown is a cosmopolitan dreamscape with numerous skyscrapers, massive shopping centres and sophisticated restaurants. A winding river separates downtown from Kensington Road, where you will find quaint shops, thriving arts and lovely cafes. Stroll along riverside pathways, or visit one of the many area attractions. Sit back on the outdoor benches and enjoy the sun. Known for its sunny skies, Alberta receives more hours of sunshine yearly than any other province in Canada.

Teatro, or 'theatre' in Italian, pays homage to the restaurant's location in the heart of Calgary arts and theatre district. Celebrating over 30 years in 2024, Teatro has been serving contemporary Italian cuisine in a fine dining atmosphere. Housed in the historic Dominion Bank Heritage building built in 1911, Teatro has an ample amount of character and charm to offer. Complete with classical pillars, elaborate ornamentation, beautiful imported French gates, and lofty interiors, you will feel like you have been transported to a foreign destination.

It is no secret that the key to every great meal is the quality of its ingredients. At Teatro, they source those ingredients from local and organic producers whenever possible. For those items that they cannot acquire locally, they seek elsewhere with equal care. These include extra virgin olive oil from owner Dario Berloni's family olive groves in Italy's Marche, finishing salt from Italy and Brittany and fine imported cheeses from all over the world.

Get a taste of the extraordinary at the Wilder Institute/Calgary Zoo! Founded in 1929, the Wilder Institute/Calgary Zoo is one of the oldest charities in Alberta and the most visited zoo in Canada. For 95 years, the zoo has been the backdrop for remarkable experiences throughout the 125-acre, one-of-a-kind destination. From Destination Africa and Wild Canada to Exploration Asia and beyond, a visit to the zoo takes you on a journey through a wild world of discovery.

Renowned Chef Kenneth Titcomb enriches the zoo with his vast expertise and culinary artistry. Under Chef Kenneth's leadership, the zoo's award-winning culinary team seamlessly transports visitors to exotic locales through inspired and delectable cuisines, inviting them to embark on a journey of culinary exploration and delight. With a farm-to-table philosophy, emphasis is placed on sustainably sourced ingredients. A selection of produce served throughout the unique event venues is grown right here at the zoo! And when it can't be grown at home, special care is taken to ensure that what is brought in doesn't negatively impact wildlife or the communities from which it comes. After savoring a mouthful of one of Chef Kenneth's masterfully crafted dishes, you're sure to be craving more!

During your visit, you will dine in the heart of the zoo set against a living backdrop of captivating colours in the ENMAX Conservatory – a garden oasis filled with rare and at-risk plant species that are as equally significant to the world's vulnerable biodiversity as they are to look at!

In 2023, the World Food Travel Association awarded Alberta Food Tours a Global Culinary Tourism Award for “Best Program to Promote Culinary Culture to Visitors.” Come and see why as you enjoy a generous brunch to start and then tour the market with an Alberta Food Tours storytelling guide to taste the signature foods (and beverages) of Alberta. We’ll fill a goody bag along the way and you’ll leave with truly Albertan recipes from award-winning cookbook author, Karen Anderson, the president of Alberta Food Tours.

The Market is a vibrant space that mirrors the diversity and uniqueness of the community. This 55,000 sq. ft. market draws over 1 million annual visitors and is home to 78 vendors providing shoppers with fresh local produce, meat, poultry, international food, organic goods, jewelry, art and more. The space is bright with wide aisles, classic wood timbers, and an eclectic food hall that’s home to 20 family owned restaurants with seating for over 300 guests, a two-story glass atrium, and an interactive Barnyard Kids play area. The Calgary Farmers’ Market is an Alberta Approved Farmers’ Market which means they strictly follow the 80/20 rule, where a minimum of 80% of their vendors need to “make it, bake it or grow it.” This makes a huge difference in assuring that the Market caters to vendors who are producing products locally.

Boasting panoramic views that stretch beyond the cityscape of downtown Calgary, this rooftop restaurant offers an unrivaled dining experience. Executive Chef Josh Dyer, a visionary in the culinary realm, curates an imaginative and upscale menu that has earned The Wilde 'The Award of Excellence' from the Distinguished Restaurants of North America (DiRōNA), only one of three restaurants to win this award in Canada in 2023. Fewer than 1000 restaurants in North America have had the honour of receiving this award since its inception in 1990. From eccentric elements to refined wine selections, every detail contributes to an epicurean adventure.
